"There is nothing wrong with change, if it is in the right direction." - Winston Churchill. Life Groups at Kingsway have been the heartbeat of our church for over (8) years. **THAT'S NOT CHANGING!** However, with the renovation of our facilities, we have a unique opportunity to renovate life groups as well. Our goal is to create life groups that are: strategic, simple, and scalable.

HERE'S WHAT IS CHANGING ::

- **STRATEGIC:** Instead of aiming for community, we're going to set growth as our goal for groups. Community is the environment in which growth can occur. And, we want you to grow: maturing in your relationship with Christ and developing significant relationships with others.

- **SIMPLE:** Life is busy. Life Groups shouldn't complicate life; they should add value. So, we've simplified this menu: giving you options for the level of growth you are looking to tackle during this season of life.

- **SCALABLE:** We are committed to reaching the 1% of our community that God has called us to reach. As we grow, we simply can't facilitate every group meeting in our building. You'll notice that several groups, instead of being at the church, will meet in homes or in places throughout the community. We're excited about the possibilities that are available as we grow!

DON'T PANIC!

Read through this menu. Take note of some of the changes. Pray and select a group to join. Then, on Sunday, January 15, 2012, make your choice. It's that simple!

More changes coming as construction continues with Life Groups in 2012!
